

MIC-318

This microphone (in combination with the MX-240S/MX-500S) allows you to put a call out in any zone you wish. Each of the buttons on your 'private' base has its own function. The attention signal helps catch everyone's notice. Pull the goose-neck towards you, adjust the volume and address every bystander. The LED light indicates that everything is okay.

Want to catch the attention of the member of staff in aisle 5? The MIC-318 does what's necessary.
